The Institute of Geology invites applications for the position of a

Postdoctoral Researcher/Lecturer (m/f/d) in Sedimentology & Stratigraphy (Salary Scale 13 TV-L "FwN", 100 %)

starting at 01 February 2022. The position is limited to 5 years.

Responsibilities and duties

Responsibilities and duties include active involvement in research and teaching (teaching load is 4 LVS) and acquisition of third-party funded research projects.

Employment conditions

To qualify for the position, applicants must hold a MSc degree/diploma in geosciences. A doctoral/PhD degree in the field of sedimentary geochemistry, paleoclimatology or paleoecology is desirable. Experience in the application of stable isotopes to deep time problems is requested. Research interests should complement the existing expertise in sedimentary geology and chemostratigraphy.

Leibniz University Hannover considers itself a family-friendly university and therefore promotes a balance between work and family responsibilities. Part-time employment can be arranged upon request.

The university aims to promote equality between women and men. For this purpose, the university strives to reduce under-representation in areas where a certain gender is under-represented. Women are under-represented in the salary scale of the advertised position. Therefore, qualified women are encouraged to apply. Moreover, we welcome applications from qualified men. Preference will be given to equally-qualified applicants with disabilities.
