

# ECSM 2021

## 2<sup>nd</sup> DGGV Early Career Sedimentologist Meeting - ONLINE

**November 12-13, 2021**

ORGANIZERS - Fachsektion Sedimentologie / SEPM-CES

### Invitation

The ECSM is dedicated to bring together young sedimentologists (PhD and MSc students) and their supervisors to present and discuss their on-going research in an informal setting with the sedimentary community.

The scientific program will cover Friday (12.11.) afternoon to Saturday (13.11.) morning and will include oral presentations and posters.

Please register (and submit an abstract) before **September, 30, 2021** at the following website: <https://www.conftool.net/ecsm2021/>

For additional information on the ECSM meeting please refer to our website: <http://www.dggv.de/veranstaltungen/kurse-events.html>

### Invited Keynote Speakers

Dr. Catalina Gebhardt (AWI Bremen):

*Reconstruction of ice-sheet dynamics and glacial history: A sedimentological perspective*

Tamara Fahry-Seelig (Dachverband Geowissenschaften):

*Arbeitsmarktchancen für Geowissenschaftler*

Dr. Nadine Schöner (Bundesgesellschaft für Endlagerung mbH / BGE):

*The German Site Selection Procedure - Results presented in the Interim Report by the Bundesgesellschaft für Endlagerung mbH*

### Virtual Field Trip

Dr. Pankaj Khanna (KAUST)

*Virtual Field Trip to Late Jurassic Carbonates of Central Saudi Arabia*
